

## The Adolescent and Young Adult Cancer Survivor Study.

### HELP US TO HELP OTHERS

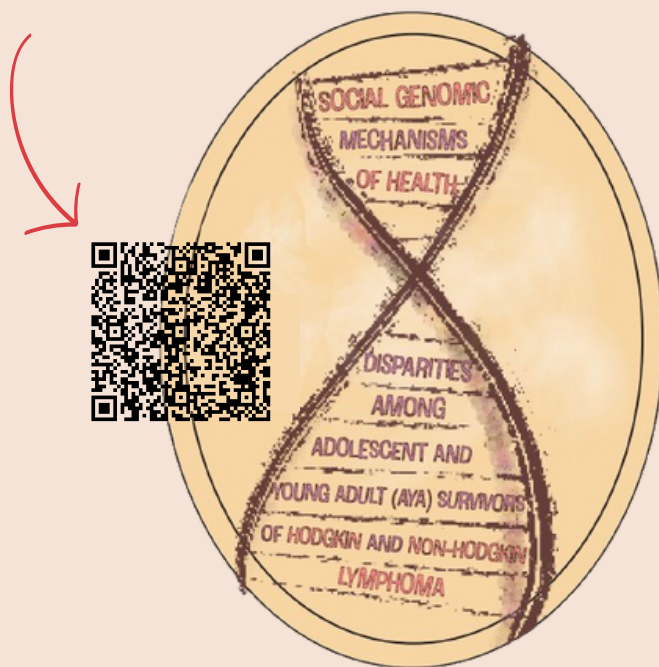

- Are you between the ages of 18-39?
- Have you completed treatment for Hodgkin or Non-Hodgkin Lymphoma within the past 3 years?
- If so, you may be eligible to participate in this study that could make a positive impact on the AYA cancer community.

Learn more by scanning the QR code above or clicking this link:

## The Adolescent and Young Adult Cancer Survivor Study.

USE YOUR CANCER EXPERIENCE TO HELP OTHERS!

### WHAT DOES THIS STUDY INVOLVE?

- Every 6 months for 2 years, you will complete an online survey and provide a blood sample (either collected in clinic or through mobile phlebotomy).
- Complete the survey and blood collection; you will receive a Visa gift card. That's 5 gift cards over the course of the study!

**5 times over 2 years:**

Complete the online surveys.

Provide blood samples.

**Gift Cards!**
